

Personal Vision Statement

Write it - See it - LIVE IT

Vision vs Mission

To distinguish between the two, a **vision statement** expresses a person's optimal goal and reason for existence, while a **mission statement** provides an overview of the individual's plans to realize that **vision** by identifying the activities, conditions, and **values and goals** of the person.

Write it

- Develop a vision statement
 - How do your values create action
- Some helpful ways to develop a vision statement
 - Write out life experiences
 - Family, Work, Education, Successes, Failures
 - Define your passion - Start with WHY
 - Example your values list
- 50 words or less.

See it

After lunch we will present our vision statements

See it

Vision Statement Brief-out

I believe that challenging ideas, systems, and norms grows and affirms society. I create challenge by questioning culture, habits, and expectations. Through exploration I strive to provide perspective, inspiration, and mutual growth.

Professional Mission

Lead a family that is loyal to our faith, each other, and growing in knowledge that is driven to serving others by act and example.

Faith • Family • Loyalty • Knowledge • Service

LIVE IT

How are you going to LIVE IT?

Now What???

- Personal focused (Leading Yourself)
 - Personal Values
 - Personal Visions
 - Personal Missions
- What do I do with this at work?
 - How will I be part of change?
 - What's my role?
