

HEALTHCARE CONCENTRATION

May 14 – 18, 2018

Palm Beach County Convention Center & Hilton West Palm Beach
West Palm Beach, Florida

CONTINUING EDUCATION OPPORTUNITY

The 32nd Annual Governor's Hurricane Conference® is pleased to offer a broad series of sessions targeting healthcare professionals. These training sessions and workshops will address the important issues of planning for and responding to hurricanes.

The Florida Department of Health (Provider #50-371) is applying for Continuing Education credits for nursing, social work, occupational therapy, speech language and dietetics for all identified training sessions and workshops. GHC Certificates of Attendance will be provided for all other attendees of the Healthcare Concentration training sessions.

The Governor's Hurricane Conference® and the Florida Department of Health are partnering to offer this opportunity at a very affordable price. Additional training and other options are also available. For more details of the entire conference, browse our website at www.flghc.org.

Please note: Healthcare CEs are not available for any sessions outside those identified. Plan to arrive one half hour early each day in order to complete registration necessary for CEs.

Questions? Contact us at (727) 944-2724 or ghclynn@verizon.net.
