

# Unit 7: Wrap-Up Exercise

**FEMA**

Visual 7.1

# Unit Objective

---

**At the end of this unit, you will be able to:**

- Given an emergency scenario, apply public information skills.

**FEMA**

Visual 7.2

# Exercise: Emerald City Flooding

---

## Instructions: Working in your assigned group:

- Use the techniques discussed in this training to complete your assignment
- Complete the list of assignments
- There will be a mock press conference at the end of the exercise

**You have 1 hour  
and 30 minutes.**

**FEMA**

Visual 7.3

# Exercise Scenario

- You are the PIO for Emerald City Emergency Management (ECEM).
- It has been raining for eight days, and flooding is expected.

**Read the scenario details  
in your Student Manual**

# Exercise Tasks

---

- What did you learn in this course that you were able to use in the activity?
- What was the most challenging part of the activity?
- Based on this exercise, do you feel that as a PIO you are ready to handle a situation of a similar magnitude in your community? Do you have all the resources you need? What areas for improvement did the exercise expose?

**FEMA**

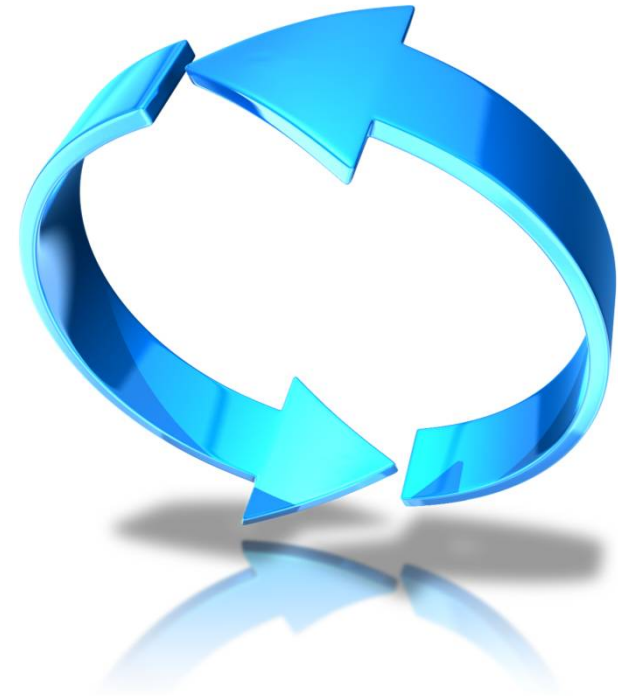

Visual 7.5

# Unit Summary

---

## In this unit, we discussed:

- How the tools and techniques discussed in this course could be applied to emergency public information activities
