

# Unit 6: Wrap-Up Exercise

**FEMA**

Visual 6.1

# Unit Objective

---

**At the end of this unit, you will be able to demonstrate organizing a JIC given a 5% scenario**

**FEMA**

Visual 6.2

# Activity: Earthen Dam Failure

---

**Instructions:** Given a scenario, use what you have learned in this class to develop a JIS/JIC:

- Identify who will be part of the JIS
- Decide whether to create a JIC and, if so, what type
- Identify the functions you will need and describe how they will be staffed
- Identify a location for the JIC and list the equipment and resources you will need immediately

**FEMA**

Visual 6.3

# Activity: Exercise Scenario

---

- **You are the PIO for Empire County Emergency Management**
- **Heavy rainfall and storm runoff caused excessive spillway flow in last 2 weeks**
- **Read the scenario details in your Student Manual**

**FEMA**

Visual 6.4

# Activity: Exercise Debrief

---

- **What did you learn in this course that you were able to use in the activity?**
- **What was the most challenging part of the activity?**
- **Based on the exercise, do you feel ready to handle a similar situation?**
- **Do you have all the resources you need?**

**FEMA**

Visual 6.5

# Unit Summary

---

**In this unit, we applied what we have learned in this course to a scenario to organize a JIS/JIC.**
