

HEALTHCARE CONCENTRATION

May 12 – 17, 2019

Palm Beach County Convention Center & Hilton West Palm Beach

CONTINUING EDUCATION OPPORTUNITY

The 33rd Annual Governor's Hurricane Conference® is pleased to offer a broad series of sessions targeting healthcare professionals. These training sessions and workshops will address the important issues of planning for and responding to hurricanes.

The Florida Department of Health (Provider #50-371) is applying for Continuing Education credits for nurses and nursing home administrators for all identified training sessions and workshops. GHC Certificates of Attendance will be provided for all other attendees of the Healthcare Concentration training sessions.

The Governor's Hurricane Conference® and the Florida Department of Health are partnering to offer this opportunity at a very affordable price. Additional training and other options are also available. For more conference details, browse our website at www.flghc.org.

Please note: Healthcare CEs are not available for any sessions outside those identified. Plan to arrive one half hour early each day in order to complete registration necessary for CEs.

Questions? Contact us at (727) 944-2724 or ghclynn@verizon.net.
