11th Annual Student Program Sponsorship

Since 2010, the Governor’s Hurricane Conference® has funded a student program. This program gives students the opportunity to attend the conference and network with emergency management professionals from local, state, and federal government as well as the private sector. 2020 will be the 11th year of the GHC Student Program. To expand on our success in engaging the future of emergency management with unparalleled professional development opportunities, we are asking for your help.

For more information, questions, or to contribute, please contact our program ambassadors:
